## FIRST ANNUAL FOUNDATION GOLF TOURNAMENT

This past October the Foundation hosted its first annual golf tournament at Rio Pinar Country Club. We had a full field, great course and beautiful weather. We raised a much needed \$10,000 for Boone and are looking forward to the next one.

Orthopaedic Resource, Inc. (Mike and Prudy Owen Trieste) was our tournament sponsor and just so happened to turn in the winning team score. Publix Super Markets, SunTrust Banks and Tetra Tech (Chuck Drake) were sponsors for breakfast, lunch and the beverage cart. We had numerous hole sponsors and lots of good prizes for the raffle and silent auction including tickets and field passes to a Miami Dolphins home game. It helps having alums employed with certain companies!

We really feel the tournament was a success and are so grateful to all who participated. It's a perfect way to reunite old friends while raising money for an institution that has meant so much to so many of us. We hope many of you will consider playing and supporting us this next time around. We hope many of you will consider playing and supporting us this year on October 14th at The Sanctuary Golf Club in Clermont.

### BOONE TEACHING GRANTS

2010 was a highly successful year for raising the funds required to ensure our Boone faculty their needs and wishes for this 2010-2011 school year would be met. As a result of our first annual Boone Foundation sponsored Golf Tournament, we were able to award grant money to 11 teachers! The grant focus was directed toward Language, Reading, and English where test scores have been historically weak. The Foundation's decision went to support their efforts, in order to help the students boost next year's test scores.

The annual Golf Tournament is and will be our main source of funds. With this first year's huge success in October of 2010, we will also be able to award grants in the fall of 2011. Our goal is to one day be able to grant all teachers their specific area needs. And, with the ongoing support of Boone Alumni and our Community partners, we can attain those goals now as well as for years to come. Please help the Foundation's efforts to provide Boone teachers the highest quality classroom materials necessary to provide the best classroom experience for all of their students.

### SCHOLARSHIPS

On May 12th, scholarships were awarded by our Foundation, represented by Babby Wiedman, Mike Murray and Principal Dr. Margaret McMillen:

#### **Hugh Hattabaugh Leadership**
